Description:

Live, work, and fly from your home on Cape Cod! Beautiful two-story, modern farmhouse being built in Falmouth Airpark. South of 28, with almost 3,500 SF, this four-bedroom house will feature 3.5 baths, two ensuites (one on the first floor), a large kitchen with tall cabinets extending to the 9ft ceilings, with quartz countertops and a tile backsplash. The well-designed floor plan includes an office on the first level, laundry on both stories, and a bonus area on the second floor. Situated at the end of a taxiway, rest assured, this house will include an attached hangar! Use the large aircraft hangar to store a plane, cars, etc. This house will be loaded with upgrades only found in custom builds, including a minimal curb shower, vessel sink with wall mount faucet, pot filler, and more!
