Width 42 Depth 36 Height 11'11

**Description:**

Hangar space becomes available from time to time. You can join our hangar list and be contacted as soon as a hangar is available. Avoid the crazy big city prices and come to a friendly airport with maintenance on the field, affordable fuel prices, and free hangar in/out service during business hours. Fully enclosed, fully partitioned hangars with concrete floors and manual sliding barn doors are \$188/month with a 3% discount for payment by ACH. Those hangars are 42' x 11'11"x36' and should fit most singles and some light twins. Larger aircraft can go into the airport's large community hangar with prices starting at \$200/month.

Get on our hangar list. With enough interest, we may be able to justify building new hangars in the future. Come see what everyone is raving about.
